

Different Lens

I see my world through many lens
My mother – strong, wise, careful
My father – old, wiser, worried
My horse – fast and fun
And all of them my friends

I see my world through many lens
Arizona – wild, desert, hot
Dublin – old, tea, wet
My bedroom – safe and warm
And all of them my friends

I see my world through many lens
Truck – gas, mirror, move
Train – window, noise, tracks
Plane – here and there
And all of them my friends

I see my world through many lens
Sister – special, tears, joy
Brother – strong, close, gone
Family – cousins and aunties
And all of them my friends

I see my world through many lens
Strife – loud, hurt, why
Peace – talk, care, kind
Both – learn and keep
And all of them my friends
